Re: United States v. Hairo Contreras, 22 Cr. 129 (PGG)

Dear Judge Gardephe:

As discussed with Chambers, the parties understand that the Court seeks to adjourn oral argument in this matter until Friday, November 18, 2022. The parties respectfully ask that oral argument be scheduled for 2:15 p.m. on that day. (The parties are unavailable in the morning and have a conflict beginning at 5 p.m. so wish to allow sufficient time for the argument).

Although the Government believes that Speedy Trial time is already excluded under 18 U.S.C. § 3161(h)(1)(D) because the “hearing on, or other prompt disposition of,” the motion has not yet occurred, the Government respectfully requests that the Court exclude time through November 18, 2022, while the Court considers the motions and to give the parties the opportunity to prepare for oral argument. The defense consents to the exclusion of time.

MEMO ENDORSED

*The hearing is adjourned to November 18, 2022 at
2:15 p.m. Time is already excluded
pursuant to the above-ated statutory
provision.*

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney
